Hamshire-Fannett Roundup 1976

Volume XV

Sponsor: Carol Wilkerson

Business Manager: Mary Bordages

*EDITOR:
JANICE RAYBURN*

*CO-EDITOR:
BECKY LEGER*

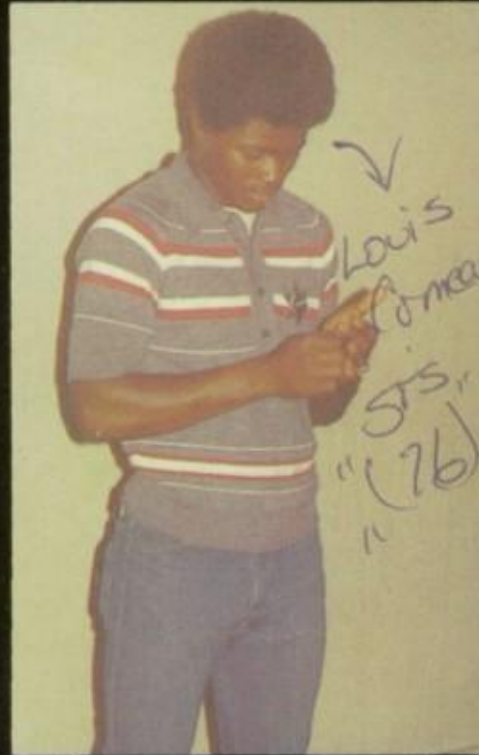

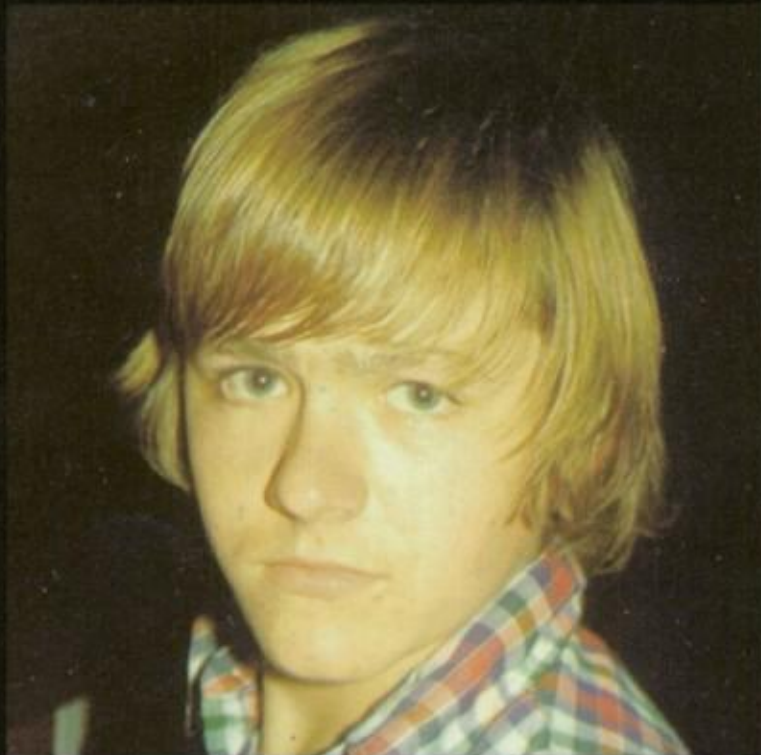

It is America's 200th birthday and just as all American's wish to participate in the celebration we, the annual staff, wish to preserve our own memories from our corner in America. Through this year-book, we wish to express the tears, happiness, victories, and defeats of all the Longhorns at Hamshire-Fannett.

This is the first ROUND-UP that has included all grade levels. We hope that you will find our efforts pleasing as we begin this new tradition by welcoming the "Little Britches" to the 1976 ROUND-UP.

It is great to be a Longhorn, and it's even greater to be an American! Best wishes for a good life.

Janice Rayburn

"In the life of us . . .

. . . there comes a time . . .

... when we must pause ...

... to look back to see ...

. . . by what straight or twisting ways . . .

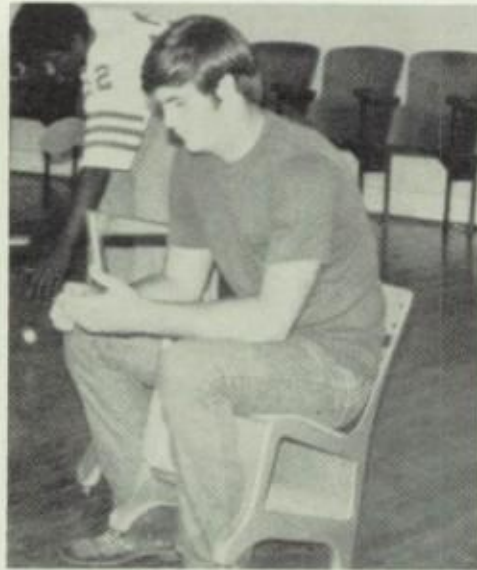

. . . we have arrived at the place . . .
. . . where we find ourselves."

GRADUATION 1976

May 1976

Class Flower: Rose

Class Size: 61

Class Colors: Red and White

Class Song: "The Way We Were"

Class Motto:

*"Happy is the man who dreams dreams, and
is willing to pay the price to make those
dreams come true."*

September 1975

May twenty-eight nineteen hundred and seventy-six - the graduating class prepares to meet family, friends, photographers and the world. Caps and gowns are adjusted. Tassels are put into place. Smiles and tears are contagious.

More than once they pause to remember carefree days, friendships, and good times. Some of them wonder how they will fit into the world, others know. Some feel sadness, some feel determination, most of them feel both.

They are ready for tomorrow. Their pride is their parent's pride as they journey toward the road for one more phase in their journey of life. The Bicentennial Class of '76 has arrived!

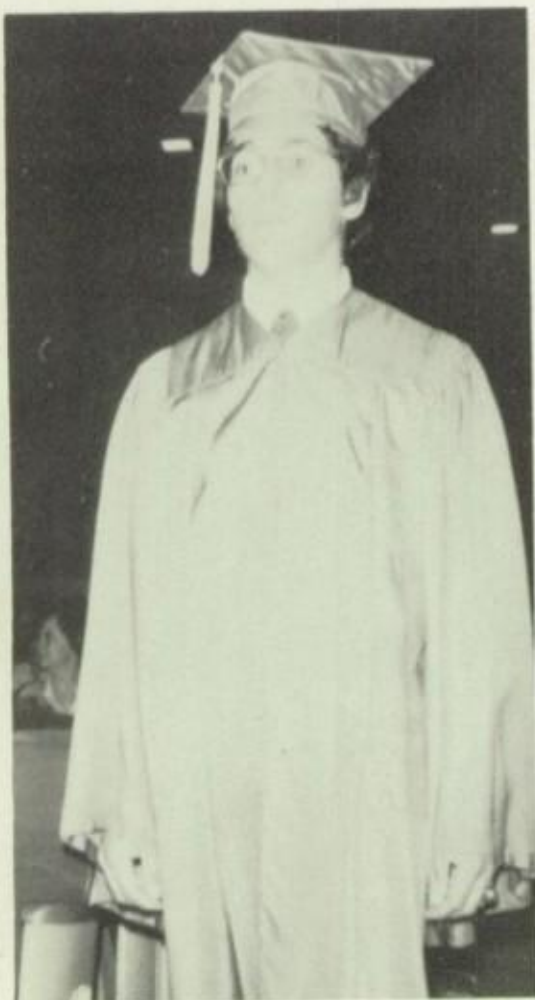

Our Ford Twins

Robert, Earl, Ricky

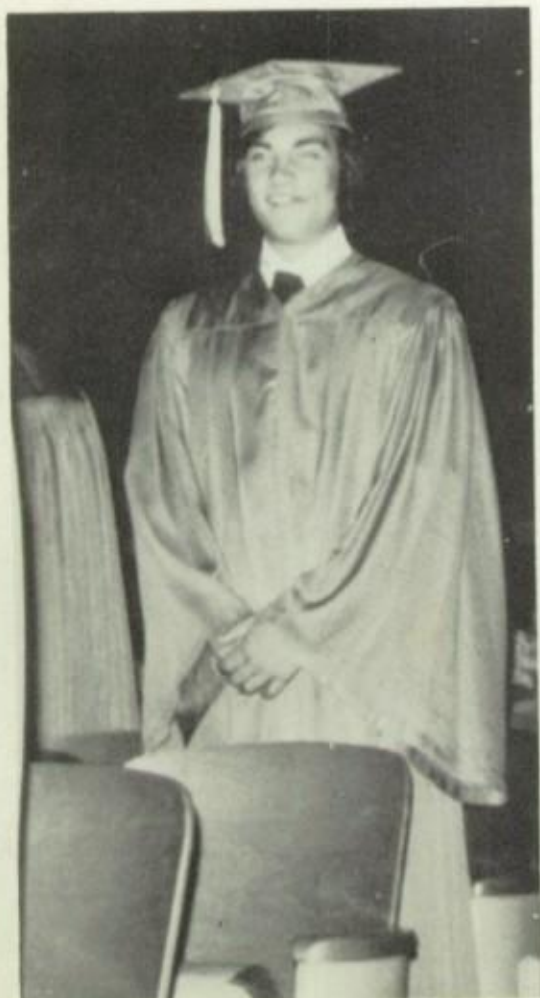

Hi! Janice

Serious Joel

Memories light the corners of my mind
 Misty water-colored memories
 of the way we were.
 Scattered pictures of the smiles we left
 behind
 Smiles we gave to one another,
 for the way we were
 Could it be that life was so simple then,
 Or has time rewritten every line?
 If we had the chance to do it all again,
 Tell me, would we . . . could we?

THE WAY

A smile from Claude

A delighted Vanessa

A very happy Michele

Mike and James

Debbie, Penny and David

John checks Michele's rose

WE WERE

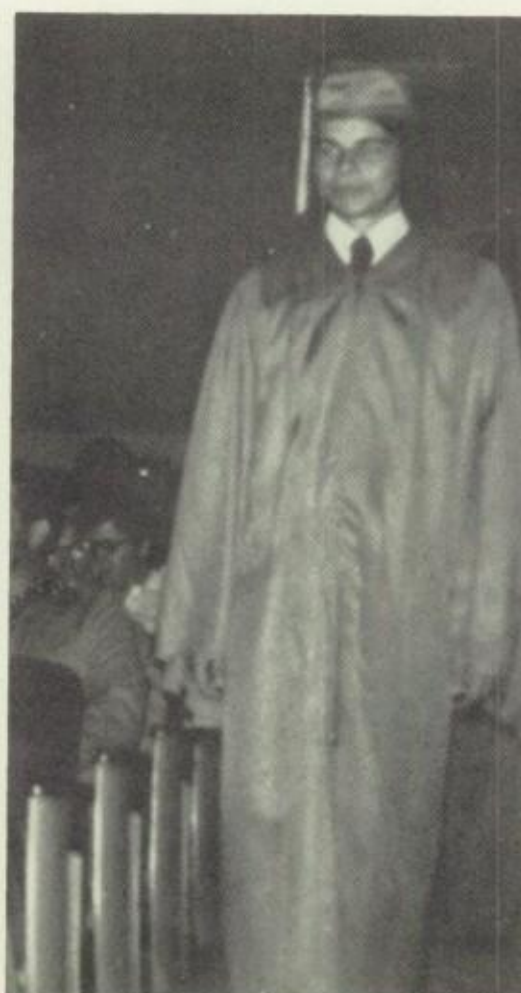

Memories may be beautiful, and yet,
 What's too painful to remember
 We simply choose to forget,
 So it's the laughter, we will remember
 Whenever we remember for the way we were,
 The way we were, the way we were . . .

Dedicated Bobby

We record Longhorn memories
With a Bicentennial theme,
From the faces of learning
To a winning football team.
With paper and many pictures
We record a great seventy-six year
Of smiles, laughter and eagerness,
And the things your youth holds dear.

Our hours have been long and tiring
And the rewards have been very few,
But for Annual Staffers, who would find
The importance of me and you?
The ROUND-UP is our own creation
We'll take pride in what we do,
If in the years ahead of us
You'll smile at memories of you.

U.I.L.

This year we had seven students competing in the Regional University Interscholastic League events in Brenham. The following participated in writing and speaking events.

L to R: Rickey Barnard: ready-writing; Janice Rayburn: persuasive speaking; Randy Spacek: poetry; Shirley Poessel: spelling; Wade Knudson: slide-rule; Loretta Theriot: newswriting; Jesse Bouley: slide-rule.

Wade decided to take his super nifty slide-rule all the way to the state contest in Austin.

The contestants and their sponsors spent the night at a not-too-exclusive motel. The atmosphere around the pool was much better than inside the rooms.

The following day was the competition. Hundreds of students from many schools participated. Our students found the waiting harder than the events as reflected in their expressions below.

These people play an important role in the Fanshire School. The cafeteria ladies greet the children with friendly smiles as they pass through the lunch line. Mr. Stelly helps to keep the school nice and presentable. Mrs. Owen and Mrs. Bernard provide transportation for the students from one school to the other.
